St Simons Island, GA 31522

RE: File # 2006-01874, 179 Eagle Shore Rd, Moultonborough
Tax Map 199 / Lot # 7;

Dear Mr. Packard:

On October 5, 2006 the New Hampshire Department of Environmental Services, Wetlands Bureau ("DES") inspected property located at 179 Eagle Shore Rd, Moultonborough ("the Property"). The purpose of this inspection was to determine whether violations of RSA 482-A and Administrative Rules Env-Wt 100-800 had occurred on the Property.

At inspection, the following violation was observed:

1. Sand was spread across a 43 ft x 27 ft area of the bank without a permit, to create or replenish a beach.

This Notice of Past Violation ("Notice") is to inform you that the violations referenced above have been documented and will be maintained on file at DES. No further action is required of you relative to these violations and DES will take no further enforcement action at this time. This Notice is being sent to help you avoid similar violations in the future so as to protect wetlands and surface waters from unregulated despoliation before violations occur.

In an effort to promote better understanding and compliance with wetlands laws and rules, DES provides an "inspector of the day" service available to the public to address technical questions related to wetlands regulation. This service is available Monday through Friday, 8:00am to 4:00 pm by calling (603) 271-2147. DES encourages you to make use of this service as well as our website (<http://www.des.nh.gov/wetlands.htm>) before undertaking future work on your property.

If you have any questions regarding this matter, please feel free to contact me at (603) 271-2147.

Sincerely,

COPY
